

Date & time	Event	Suitable For	Content
<b>Wednesday</b> <b>28<sup>th</sup> April</b> <b>14:00 – 15:00</b>  <b>Zoom</b>	<b>Writing for a Living</b>	<i>Students –</i> <ul style="list-style-type: none"> <li>• Who have a love and talent for writing</li> <li>• Interested in turning a passion into a career</li> <li>• Keen to find out what you can actually do with writing</li> </ul>	Writing is an integral part of every young person’s education and the career opportunities using this skill are vast. Whilst many have a love for writing, it’s not always clear how to progress a passion for writing into a career and we will hear from a sports journalist, a copywriter and a scriptwriter on just what they do in their jobs and discover how a talent and pre-disposition to writing can translate into a successful career.
<b>Thursday</b> <b>29<sup>th</sup> April</b> <b>10:00 – 11:00</b>  <b>Zoom</b>	<u>Living Spaces,</u> <b>Estate Agency</b>	<i>Students –</i> <ul style="list-style-type: none"> <li>• Who are intrigued to find out how an estate agent actually works</li> <li>• Interested in a career working in a customer facing environment</li> <li>• With an interest in a commercial business environment</li> </ul>	There is more to selling a home than simply opening the door and showing someone around the property . Working in partnership with Living Spaces, an ethical estate agent operating in and around the city centre, we will showcase roles and careers available within this sector, hear from a front line negotiator, valuer and estate agency manager with over twenty years experience and come to understand the skill set required to be successful in this type of business.
<b>Thursday</b> <b>6<sup>th</sup> May</b> <b>13:00 – 14:00</b>  <b>TEAMS</b>	<u>Her Majesty’s Revenue and Customs,</u> <b>Civil Service Careers</b>	<i>Students –</i> <ul style="list-style-type: none"> <li>• Interested in working as part of a large organisation with huge scope for progression</li> <li>• Interested in working in an umbrella organisation with access to a wide variety of careers</li> <li>• Lacking in knowledge of careers within the Civil Service</li> </ul>	The Civil Service touches almost every part of our daily lives, whether this be obtaining a passport, border checks, payment of personal taxes, it is one of the largest employers within the UK yet knowledge on careers within and across this organisation remains limited.  Join us for the first in a series of events examining opportunities within the service for an event examining HMRC, one of the biggest employers in Newcastle, where students will go on a virtual tour and gain insight into the career opportunities available on their doorstep in this intriguing industry.
<b>Wednesday</b> <b>12<sup>th</sup> May</b> <b>10:30 – 11:30</b>  <b>Zoom</b>	<u>Piramal Pharma Solutions,</u> <b>Careers under the Microscope</b>	<i>Students –</i> <ul style="list-style-type: none"> <li>• Interested in science</li> <li>• Interested in the practical application of science in careers</li> <li>• Keen to gain an understanding of laboratory work</li> </ul>	A global company with a base here in Morpeth, Piramal Pharma Solutions work across the drug lifecycle, from drug research and discovery through to the commercial manufacturing of drug substances and products. We will examine careers in the laboratory through the eyes of people doing these jobs on a daily basis and come to understand just what happens when the white coats go on.

<b>Date &amp; time</b>	<b>Event</b>	<b>Suitable For</b>	<b>Content</b>
<b>Thursday</b> <b>13<sup>th</sup> May</b> <b>10:00 – 11:30</b>  <b>Zoom</b>	<u>Rathbones</u>	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in a career in finance and investment</li> <li>With a talent for maths</li> <li>Who are academic</li> </ul>	A firm favourite and annual NE1 CAN event, we are once again joined by Rathbones Investment Management as we explore careers and skills required to work in this area of finance. An interactive digital event, students will hear from speakers before being engaged in an activity to help highlight and understand what employers in this sector are actually looking for.
<b>Wednesday</b> <b>19<sup>th</sup> May</b> <b>13:00 – 14:30</b>  <b>Zoom</b>	Careers in the Creative Industries	<i>Students –</i> <ul style="list-style-type: none"> <li>Who are creative</li> <li>Who would like to learn and understand about careers in the creative industries</li> <li>Keen to understand what type of businesses operate within this space</li> </ul>	<p>The UK's creative industries sector contributed £115.9 billion to the economy in 2019, employs over 2million people making up just under 6% of the economy as a whole. Businesses such as advertising, marketing, fashion, architecture, the arts, all fall within this category which offers vast employment opportunities for our workforce of tomorrow.</p> <p>Join NE1 CAN for an overview and introduction to the sector before students choose to join two of four break-out rooms to gain additional insight into the world of Interior Design, Northern Film &amp; Media, Marketing Agency, Graphic Design.</p>
<b>Wednesday</b> <b>26<sup>th</sup> May</b> <b>10:00 – 11:30</b>  <b>Zoom</b>	Careers in the Tech Sector	<i>Students –</i> <ul style="list-style-type: none"> <li>Who are interested in digital &amp; tech</li> <li>Keen to understand what type of businesses operate within this space</li> <li>Keen to understand what businesses operate here in the North East</li> </ul>	Just under 3million people are employed within the Digital & Tech sector here in the UK in one of the fastest growing areas of the economy. As this space experiences rapid growth, the demand for skills and employees is huge and our young people stand to take full advantage of this as they emerge into the employment landscape. Fast moving, dynamic and futuristic, we are joined by Dynamo, an industry led group responsible for growing the North East's Tech economy, to receive an overview of the sector and what career opportunities are available here before joining four businesses in break-out rooms for a round robin of additional insight, including Opencast Software and The National Innovation Centre for Data amongst others.
<b>Wednesday</b> <b>9<sup>th</sup> June</b> <b>13:00 – 14:00</b>  <b>Zoom</b>	<u>Northumbria Police</u>	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in joining the police force</li> <li>Interested in learning about careers other than being a police officer within the force</li> </ul>	Northumbria Police serve a population of 1.5million and cover around 2000 square miles across the North East, keeping us safe with a team of 3,348 police officers, 1,782 police staff and 184 community support officers. Whilst we are all familiar with the role of a police officer, this event will help us to understand what is really involved when you are a member of the front line police family and also explore some other staff roles which you may not have thought would be part of the police family.
<b>Wednesday</b> <b>16<sup>th</sup> June</b> <b>14:00 – 15:00</b>  <b>Zoom</b>	Entrepreneurial Stories	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in working in business</li> <li>Interested in having their own business</li> </ul>	Another in our popular Entrepreneurial Stories series of events where we hear from two entrepreneurs on their own journey into business. Examining the pitfalls and the positives we will hopefully inspire and inform our young people to consider that being a business owner may be within their reach.

<i>Date &amp; time</i>	<i>Event</i>	<i>Suitable For</i>	<i>Content</i>
<b>Monday</b> <b>21<sup>st</sup> June</b> <b>10 – 11:30</b> <b>12:30 – 14:00</b>  <b>20 spaces per session</b>  <b>Business Premises</b>	<u>Ouseburn Fam,</u> <b>Life on the Farm</b>  Ouseburn Farm, Byker	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in working outdoors</li> <li>Who like animals and plants</li> <li>Interested in agriculture, horticulture, animal husbandry and tourism</li> </ul>	A real-life event, let's get out in the fresh air and socially distance down at The Ouseburn Farm as we discover what it takes to run an inner city farm. Career opportunities on offer include fundraising, business development, horticulturalist and last but not least, life as a farmer. Please note this event will take place outdoors and is an interactive one so dress for the weather and bring a can do attitude as we plant career seeds and watch them grow.
<b>Thursday</b> <b>24<sup>th</sup> June</b> <b>TBC</b>  <b>Zoom</b>	<u>Cellular Revolution,</u> <b>Careers in Life Sciences</b>	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in science &amp; technology</li> <li>Keen to learn about Life Sciences as a sector</li> <li>Seeking employment in an emerging, fast growing sector here in the North East</li> </ul>	Bringing together science and technology, Cellular Revolution, a spin out from Newcastle University with strong foundations in science and academia, have commercialised their skills to deliver innovative high quality products for clients in the design and biotesting of peptide-based molecules for biotechnological application. With a small, agile, innovative and international team, we will hear from all members on their roles and see into the labs to gain an understanding of how the practical application of science translates into employment for a fascinating event.
<b>Wednesday</b> <b>30<sup>th</sup> June</b>  <b>14:00 – 15:00</b>  <b>20 spaces</b>  <b>Business Premises</b>	<u>Nationwide</u>  Northumberland Street, Newcastle	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in working in a building society</li> <li>Interested in working in a huge organisation</li> <li>Interested in understanding the difference between a bank and a building society</li> </ul>	The largest building society in the world, Nationwide has over 15million members and is the seventh largest cooperative financial institution in the world yet this global player exists on almost every high street in the country. Offering products from bank accounts to mortgages, this key part of our community does more than deliver the numbers and we will get an overview of how and why this happens from within their Newcastle store located on Northumberland street.
<b>Tuesday</b> <b>6<sup>th</sup> July</b> <b>13:30 – 15:30</b>  <b>25 spaces</b>  <b>Business Premises</b>	<u>Costain</u>  Blaydon Hub, Blaydon	<i>Students –</i> <ul style="list-style-type: none"> <li>Interested in engineering</li> <li>Interested in construction</li> <li>Keen to learn about opportunities in a huge organisation with vast scope for progression</li> <li>Who like working as part of a team</li> </ul>	Building and delivering on highway schemes involves bringing together lots of different skill sets and strengths. Costain and Jacobs are working on behalf of Highways England to widen the A1 in Newcastle, adding an extra lane in both directions. We will join them onsite at the central hub of activity to hear from an apprentice, an engineer, and a manager to understand what it takes to make something like this happen and what opportunities exist for future careers alongside getting a shot on the virtual reality tools used to help envisage the site.

# Essential Information & Guidance
