The HogmanHoway 5K will take place on December 31st 2025 and we would like to take this opportunity to advise you of the approved road closure programme which may affect you.

We have worked closely with Newcastle City Council to minimise disruption while ensuring a successful and safe event. Marshals will operate at all key junctions and wherever possible will allow access for residents when it is safe to do so. They will be as flexible as they can but we appreciate your understanding if this involves some delay. Please contact us if you have any specific issues which cannot be addressed on the day.

We respectfully ask for your understanding and co-operation on behalf of the competitors. The full road closure programme is available on our event website.

**ACCESS FOR EMERGENCY VEHICLES TO ALL AREAS WILL BE MAINTAINED
AT ALL TIMES**

We would like to apologise in advance for any inconvenience caused, and thank you for your support of the event showcasing the City of Newcastle and all of the runners who have trained so hard for the day.
